VICTORY MARCH of Ashley High School

The Reason Why . . .

To enable our parents to picture our lives at Ashley High School, to refresh the memories of those who have known it in the past, and for us, the students, to enjoy and hold as an important part of our lives, we publish the 1942 Victory issue of *The Torch*.

Dedicated To . . .

The class of 1942 is dedicating this issue of *The Torch* to the graduates of Ashley High School, who are carrying *The Torch* in the Army, the Navy, the Marine and Air Corps of the United States.

Where Do We Go From Here?

Years ago, so the records show,
The Wabash came tootin' through;
It missed Hudson by about a mile
And landed in a big mud pile.

But they filled it up,
And it didn't bog down;
So when they were done
They called it Ashley town.

And so the story goes, by 1892
It resembled the old woman in the shoe.
It grew and grew and grew
Until it had so many children it didn't know
what to do.

In '93 they began to build
A schoolhouse just south the hill,
And soon the school bells were ringing
Where once the jay-birds were singing.

Then calamity came; the shops blew away,
But the Ashley school was there to stay.
The country folks came crowding in;
They needed two buildings where one had been.

So in the year 1929
They built an addition, very fine.
Now the buildings are full to the brim;
The dispensing of science is the main whim.

Here we are in 1942—
Another class almost through!
What treasures will the future hold for us
When we hop the big life-way bus?

FLOWERS FOR BOWERS

Ashley High School salutes George Bowers! Mr. Bowers, the friend of all the children, renders his services whenever they are needed. The little children surround him when he rings the big bell and help him tug at the strong rope. To him they go to have a wayward heel attached to their shoes, or, perhaps, to inform him of a lost article. And always he is at their service, friendly and smiling.

To him falls the unending task of keeping the fire going in the big furnaces and cleaning the building each night. We have accepted this as a matter of fact. Now we wish to acknowledge and to thank him for his cheery services. Like the faculty, he has done no small part in making our Ashley school days pleasant, and in directing our course into the right channel.

We Seniors are going on, but we are taking with us many memories, of which he surely is a part. Behind us we leave our best wishes for his health and happiness. May he long reign supreme as janitor of the Ashley school.

Class Activities

On September 2 we Seniors started back to school with more determination than ever to make our last year a most glorious one.

During September we selected our class officers. We chose Marie Smith as editor of our annual and June Allen as assistant editor.

October proved to be a busy month for us all. We selected our class play and chose Mrs. Mary Wolfe as the director. We had our first semester's party, which was a skating party at Silver Moon Skating Rink. About the middle of that month we selected Cron's Studio from Fort Wayne to take our individual pictures. Then toward the latter part of October we went to Fort Wayne to have our pictures taken. An exciting event occurred when we received our class pictures.

In November the play cast started practicing for the play.

Then on December 3, 1941, we displayed some of our excellent talent in our class play, "Professor, How Could You!" Our play proved to be a great success.

On December 23 we began our vacation for the holidays. During this holiday vacation we had a delightful time, but we were glad to get back into the old harness again.

During January we worked hard on our annual, "The Torch." Much time was spent on write-ups and securing advertisements. We decided what type of name cards and announcements we wanted to order. We also selected the style of type we wanted for our diplomas.

In February we were measured for our caps and gowns. Work continued to progress on our annual.

March proved to be an interesting month with lots of hard work for us to do. We completed the work on our annual so it could be sent to the printers and engravers. We had our class party for the last semester at the home of Eleanor Hovarter.

April was full of many important events. On April 9 the Juniors gave, in our honor, a lovely banquet at the Country Club in Kendallville. April 12 was baccalaureate, and on April 16 we received our diplomas for which we had worked so long.

This brings to a close the activities of our class of '42. As we make room for the class of '43 we shall enshrine forever in our hearts these happy memories associated with the class of 1942.

SENIOR PROPHECY

It is 1957, and the good citizens of Ashley, the city of the future, are just receiving the morning edition of the TIMES, edited and published by Phyllis Kempf. Mr. Donald Pressler seats himself behind the paper while his wife, the former Helen Gary, patiently pours the coffee and opens the front door. Two minutes later "Red" whizzes out the door to the carline. Now it is Helen's turn to read the paper.

Heavens! Umpire Harold Ellert was taken to the Mercy Hospital yesterday immediately after the baseball game in which Shorty was umpiring. Dr. Dwight Ladd, veterinarian of the first class, states that Harold is the victim of Bumps on the Brain, caused by too many pop bottles that were slung at him from the stands.

Kerns and Allen will return next Monday to the air with a better-than-ever show. Hollywood's golden-haired "oomph" girl, Eleanor Hovarter, will be their guest. Anna and June have just been voted the radio's No. 1 comediennes of the year 1957.

The governor of Indiana, Charles Stoops, has declared that Captain Norbert Pfefferkorn shall receive the largest medal ever given a soldier from Indiana. Captain Pfefferkorn is credited with clipping a hair off the famous Hitler mustache when Norbert's bullet passed under the Fuhrer's schnozzle back in the Second World War.

The huge medal will be presented to this famous soldier on Thursday by Marie Smith, the world famous blues singer. Miss Smith, accompanied by her husband, Maurice Grueter, formerly of Waterloo, will fly from New York in a special plane.

Immediately after this presentation of the medal to his friend, Ed "Frank Buck" Buchs and his wife, the former Kathleen Hammond, will leave for Africa. Edward and Kathleen are searching for a very extinct animal to make the Ashley Zoo famous.

Alvin Henderson has just broken all the track records. No man is speedier than Little Alvin. And they do say he always used to come strolling in after the attendance was taken in the assembly when he was a senior back in '42.

Well, well! Daryl Ford, after fifteen years of hard work, has finally won the Golden Gloves Match at Fort Wayne.

Starting Thursday night at 8:00 a new program entitled "Uncle Buddy's Doghouse" will be heard over Station XYZ. Buddy Lepley, after being the hen-pecked Mr. Allen for ten years, has decided to benefit the public by telling his own experiences.

Homer Stomm, Professor of Economics at Ashley College, announced to his students that they would use a new textbook written by Gerald Henderson. Professor Stomm states that Mr. Henderson has become quite an authority as an author of reference books and the like, especially those related to farm problems.

Miss Rosemary Hoffelder, lecturer and traveler, will lecture to the angelic seniors of '57 in the Ashley High School Auditorium Tuesday afternoon. Miss Hoffelder's subject will be "How to Enjoy Life by Getting C's—Both Minuses and Pluses—in Conduct."

Indiana's most honored poetess, Marjorie Vian, is spending several days in Ashley visiting her friend and former classmate, Lorraine Johnson. Lorraine has won world-wide recognition by her ability to write short stories. She ranks with other famous authors, such as O. Henry. Marjorie won so many compliments on her poem that she wrote for the senior annual in '42 that she decided to make poetry her career.

Imogene Hamman and Louise Boyd announced to the press early yesterday that they were tired looking for the "Perfect Man" and were going to settle down on a ranch out in the West somewhere.

Beginning Monday a new story entitled "Love 'Em and Leave 'Em" by Ruth Orwig will be presented by the TIMES. The story is based on the true life and loves of Ruth.

Mr. and Mrs. Ursell Cox and their circus are coming soon. Two special features of this large circus will be the bare-back riding stunt by Jeanette Franze, known in private life as Mrs. Ursell Cox, and the lion act offered by the world's most famous lion tamer, Harriette Myers.

Author Verle Whysong has just finished his latest and best novel entitled "His Worst Enemy—Sleep."

Beth E. Cox, President of the Matrimonial College here, received word that Gretchen Chipman has accepted her request that she give a few pointers to the Co-Eds on charm. This popular New York model will be met by Mayor Donald Shumaker and five bands under the direction of Phyllis Leas at the Wabash Central Station.

Lucille Schiffli, stunt flyer, forgot to dodge one of the big barns owned by the wealthy Dorothy June Rowe when she was out practicing yesterday. Lucille is resting comfortably at her own home under the able care of Nurse Clara Sanders. Since Lucille is her former classmate, Dorothy says that she will not sue providing Lucille will solemnly promise not to take the case to court later, claiming that she became the victim of hay-fever when she sailed through Dorothy's haymow.

Kenneth Nelson, Chief of Police, ordered last night the restricted use of horns in the city.

Rex Brooks, a former resident of Ashley, has moved his hot dog and onion stand from Kendallville, and is now residing "deep in the heart of Texas." Rex, it is reported, got cold "dogs" waiting for Martha to say "Yes."

All the important items have been scanned; the paper is read and there is work to be done. And thus ends the prophecy of the wonderful class of '42.

Rosemary Hoffelder

Class Song '42

Marching along together, we're the class of '42,
 Marching along together, making all our dreams come true;
Sailing along the harbor, into the channels deep,
 This, our motto, we will follow, no matter what the test;
The blue and silver we'll wave forever, as we follow the quest.
 Marching along together, we're the class of '42.

Marching along together, sharing every smile and tear,
 Marching along together, whistling till the skies are clear;
Swinging along the highway, over the road that's wide;
 We're through with Latin, and with Math., and through with English too,
We're going out to show the world what we have learned to do,
 Marching along together, we're the class of '42.

CLASS FLOWER: *American Beauty Rose*

In September of the year 1938, forty-four bewildered students enrolled in the freshman class of Ashley High School. Due to the fact that many came from outlying townships, there was a feeling of restraint among the class. However, we were drawn together in our first class meeting. Marie Smith was chosen to guide us through the year. To assist her in performing this task, we chose Verle Whysong. Donnie Pressler kept tab on what happened and when, and also was put in charge of our small but increasing class fund. Rosemary Hoffelder weekly informed the world of our progress. With Homer Stomm as sponsor of our activities, we progressed rapidly. Our class parties, held at the homes of students, were a success, and when the school doors closed in spring we parted with a feeling that our freshman year was one of accomplishment and a good start on the road to success.

After a vacation of four months we again assembled for another term of advancement. This year we were to live up to the name, "Silly Sophomores." Of course, we claimed to be everything but silly. Forty students responded to roll call. Having passed the first milestone of our high school life, we were eager to surge forward to the coming ones. To plan our course during this year, we chose Jeanette Franze. Verle Whysong acted in her absence. Ruth Orwig received training by doing the secretarial work. The business function of the class was put in charge of Helen Gary. A summary of our weekly activities was turned in to the local newspaper by June Allen. Richard Latier was chosen as sponsor. The only effects of the skating party held at the Silver Moon Rink were a few stiff joints. We are quite sure our boys remember the class party held at the home of Eleanor Hovarter. We know now why their cars had so much more attraction than the party.

In September, 1940, the halls of Ashley High School echoed the laughter of thirty-eight Jolly Juniors. We soon found out that this year would be full of important activities that must be fulfilled. We met to elect officers. Rosemary Hoffelder was elected to supervise our many enterprises, her able assistant being June Allen. We chose Marie Smith to record the minutes of the coming meetings. Our financial matters were guided by Lorraine Johnson, and Charles Stoops submitted the weekly gossip. Miss Kathleen Stantz acted as class sponsor. The Junior class play, entitled "Cheerio My Deario" was a great success under the able direction of Mrs. Mary Wolfe. Then at last the big moment came. The Junior-Senior Reception, the highlight of our high school life for which we anxiously awaited, was held at Hotel Keenen in Fort Wayne. For these accomplishments we look back upon our Junior year with a feeling of satisfaction for having finished our work well.

Thirty-five dignified seniors took their seats with a feeling of superiority. We had now reached the last milestone of high-school days and were ready to plan for our future advancement into the world. Verle Whysong was elected president; June Allen, vice president; Gretchen Chipman, secretary; Ruth Orwig, treasurer; Marie Smith, reporter, and Fred Frederick, faculty adviser. Planning an annual took a great deal of our time, but we feel sure that our efforts will have not been made in vain. We are now looking forward with anticipation to the climax of our high-school career and to the night when we shall receive the order to board our separate ships and sail "Out of the Harbor into Deep Channels."

We, the Class of "43," started our junior year with thirty-four members. Our new members, Violet White, Arnold Berryhill, and J. B. Childs were with us.

The first week we elected officers for the year. The officers are the following:

Robert Mertz	President
Elaine Strite	Vice President
Celestine Bender	Secretary
Paul Reinhoel	Treasurer
Sarah Jean Eldridge	Reporter
Mrs. John Wolfe	Sponsor

We received our class rings a few weeks before Christmas.

On December 3, 1941, the girls of the class gave the boys a chicken dinner at the home of Betty Ober. It was well attended and enjoyed by all.

As a means of raising a fund for our treasury, we sold candy and ice cream during the first semester.

Together with the eighth grade, we gave a short Christmas program in the Assembly on December 23, 1941.

The big problem of the year has been the Junior and Senior reception. We have decided to entertain the Seniors and Faculty at the Country Club at Kendallville.

With all our troubles and worries, we are still the Jolly Juniors of Ashley High, full of fun, and ready to get into some trouble or other.

Sophomore Class History

Last year when we entered high school we had twenty-nine members in our class. This year there are two new pupils: Jean Childs and Glenn Wilhelm.

A skating party, well attended, was held in November. The freshman and sophomore classes were in charge of the assembly program in November. The chief attraction was a one-act play, "Elmer." This, of course, displayed some of the talent of the two classes, and we thought it a good program.

CLASS COLORS: Blue and Gold.

The freshman class started the 1941-'42 school year with thirty-six members. During the first semester two of the members discontinued their school work, but we gained a new member.

In November the freshmen and the sophomores gave a short program in the assembly.

On February 16 we had a skating party at the Silver Moon Skating Rink.

Girl Reserves

As a Girl Reserve I will strive to be:

CODE

G—racious in manner
I—mpartial in judgment
R—eady for service
L—oyal to friends

R—eaching toward the best
E—arnest in purpose
S—eeing the beautiful
E—ager for knowledge
R—everent to God
V—ictorious over self
E—ver dependable
S—incere at all times

The Girl Reserves were organized this year under a new leader, Miss Margaret Vincent, and the following officers: Ruth Orwig, President; Marie Smith, Vice-President; Harriette Myers, Secretary; Phyllis Kempf, Treasurer; Eleanor Hovarter, Reporter, and Mary Jane Hall, Pianist. The officers met, planned the program for the year, and made program books in the G. R. colors, blue and white.

Our first meeting was a weiner roast at Pokagon State Park. The party was closed by singing songs. We then returned home after a very enjoyable time.

We held a bake sale in November to raise funds to carry on our organization for the year.

A membership drive was held, and the next meeting was held at the home of Harriette and Mildred June Myers. The outstanding feature of this meeting was the initiation of our fifteen new members. A house party was held at the home of Mary Jane Hall in December.

The April meeting was a farewell party for the Senior Girl Reserves. The Senior girls received their G. R. pins at this meeting.

We, the Girl Reserves, have all enjoyed a very pleasant and happy year in our organization and hope for its continuation.

Directed by Mrs. Mary Wolfe

Keats, a young man who has been spoiled by his grandmother and by his early success in his profession as a history teacher in college, gets into trouble with four young women, all wanting to marry him. In order to become Dean of the College he must be married, and because he knows nothing at all and cares less about women, he really gets into trouble. During the play, Grandpa, who is an alert chipper little man of sixty, writes a poem, signed by Keats, which gets passed around to all the young women. Unbeknown to Keats, Grandpa telephones all the girls, asking them to elope with Keats. All the girls pack their suitcases and plan to elope with Keats, but much to their disappointment, find out that Keats did not write the poem nor ask them to elope with him. In the end each girl is jilted and Keats picks out his own wife, Vicky Randolph.

"Bashful Mr. Bobbs"

Presented by the Junior Class

Directed by Miss Margaret Vincent

Jean Graham, her sister, and her brother-in-law have come to the Bay View House to meet Jean's fiance, the dashing popular Marston Bobbs. Marston is delayed, but bashful Robert Bobbs, his cousin, happens to come to the hotel and is mistaken for Marston. From then on it is one embarrassing—to Bobbs—situation after another.

After many trying episodes, Jean breaks her engagement to Marston Bobbs and becomes engaged to his cousin, Robert. Marston then becomes the fiance of a movie actress whom he has known for some time.

The Musical Minds

The High School band, which was organized only a year ago, now has a total of fifteen members. Their only public appearance this year was made at the Ashley-Leo basketball game on November 28.

For the first time letters will be given to the seniors who have done excellent work in music during their four years of high school. Those who are eligible for these awards are Phyllis Leas, Dorothy June Rowe, and Clara Sanders. A music medal will also be awarded to the one senior who has been most outstanding in this field.

The Song Birds

The Glee Club is composed of thirty-two girls from the four high school grades. Membership is open to any girl interested in singing.

On November 11, the P. T. A. sponsored a "Music Night" which was a program of patriotic songs. Most of the singing was done by the Glee Club or by selected groups from the club.

The repertoire has consisted of classical and well-known popular numbers, sung both a cappella and with accompaniment.

Future Farmers

The vocational agriculture club, composed of forty-one high school students, is a truly democratic organization, carrying on its activities in accordance with the popular vote of the members. Officers are not elected each year as is the policy of most clubs. Rules and regulations for the club's activities are made up by the agriculture students and enforced by them and the agriculture teacher.

The objectives of the vocational agriculture club are threefold. First—the improvement of the agriculture department by providing new equipment; second—the promotion of social activities for agriculture students, and third—participation in activities of benefit to the community. This year the agriculture boys have made possible the following items in the way of new equipment: approximately nine small tools used in carpentry work; numerous articles of small hardware used in the farm shop; fifteen dollars paid toward a film strip projector, and which was later obtained; subscriptions paid for six farm magazines for the agriculture department; forty-one farm record books and forty-one agriculture notebooks; paid for the purchase of seventeen film strips for use in the new projector.

In the way of social events, the annual "Barnyard Frolic" skating party is outstanding. Each year the agriculture club makes not less than five dollars by selling tickets for this event. In the way of activities of service to the community, we have the annual pest contest, which accounts for the death of hundreds of farm pests including sparrows, mice, rats, crows, hawks, starlings, etc. The proceeds of the "Barnyard Frolic" is used as award money for the winners of the pest contest. The club has charge accounts at the local hardware and lumber yard. This credit system and the splendid cooperation of local business men have made possible the construction of the following articles, to date, by the agriculture boys: nine hog houses, thirty chicken feeders, six hog troughs, two self-feeders, and dozens of smaller items too numerous to mention.

Boy Scouts of America

Troop 171 was organized in the spring of 1940 by Mr. Harold Arney who is acting scoutmaster. Mr. Richard Latier is acting assistant scoutmaster. The boys of Troop 171 meet every Thursday night and have additional meetings in the summer in the form of camping trips and overnight hikes. The national defense program is being assisted by the scout troops whenever possible. At the time of this writing seven of the scouts of Troop 171 are taking a twenty-hour course in Red Cross First Aid work. All of the scouts are learning the Morse Code for use in emergency signaling.

The objectives of Boy Scout work are well stated in the following poem by Berton Braley:

This is the Trail that the Scout shall know
 Where knightly qualities thrive and grow;
 The trail of honor and truth and worth
 And the strength that springs from the good brown earth;
 The trail that Scouts, in their seeking, blaze
 Through the toughest tangle, the deepest maze,
 Till out of Boyhood the Scout comes straight
 To Manhood's splendid and high estate!

The Ashley High School Baseball Team for "41" came out with a very successful season. They showed great ability from the first game on, which pleased Coach Stomm a great deal. All the players showed skill at the plate. When Stomm decided they needed some runs, all he had to do was to give the team the sign, and the ball started flying. The outfielders could nab most anything that came their way; the infield was also pretty tough. Ford and Ladd successfully held down the pitcher's box, with Pfefferkorn and Shumaker behind the plate.

The team was upset for the first time by Fremont in the last game of the season with a score of 3 to 1.

The team loses seven Seniors, but Ashley has a tough bunch of boys coming up for the next season.

Girls' Physical Education Class

This year, in addition to basketball, volleyball, and softball, the Sophomore physical education class has taken up archery and deck tennis.

As is the usual custom, a picked Sophomore team played a Freshman team in a basketball tourney. Both teams played a good game, but the score was rather in favor of the Sophomores, being 26-2. We're wondering how it will be next year.

Of the Sophomore doubles in deck tennis, Eloise Wilson and Mary Catherine Miller came out victorious. Although new to most of us, we all enjoy it and are becoming quite adept.

Archery is also new to most of us. We haven't had much practice but at least there has been no casualties.

Last fall the Freshmen and Sophomores played softball. Usually the Sophomores took these games too, but the scores were close and occasionally the Freshmen were victorious by quite a margin. Everyone is looking forward to the time when we can get back on the diamond.
